Transforming Ireland

**Funded by the Irish Government
Under the National Development
Plan 2007-2013**

GENERAL INFORMATION

Oatlands Before/After School Service aims to create a childcare service where children are professionally cared for in a relaxing yet stimulating and enriching environment. We try to create a loving and caring atmosphere where children can feel at ease with their friends and their carers. We want them to look forward to coming into us each day.

We are open each day Before School from 7.50 – 8.50am. We leave the children to their class line in the school yard, their teachers then bring them into their classrooms.

After School starts at 1.30pm. We collect the junior and senior infants from their teachers and bring them into the after school rooms. The children are then encouraged to do their written homework, oral homework is left to be done with parents at home. Some children are collected at 2.30pm. Those who are staying for the rest of the afternoon are given a light snack.

At 2.30pm children from 1st to 6th class come into us. These are given a healthy snack and then do their homework.

When all the homework is completed the children are allowed to choose their own activities. These include Art & Crafts, Board Games, Lego etc. The children are encouraged to go outside to play in the yard when the weather is OK. Outside they play Football, Hoola-Hoops, Chasing etc.

After School closes at 6.15pm, but children may be collected at any time during the afternoon.

Oatlands Before/After School is also open during most school holidays. We are open on days when the school is closed e.g. In Service or Staff Training days. We run fun camps during Mid-Term Breaks and also during the Easter and Summer holidays. These extra days and camps are paid for separately. We are closed for 2 weeks at Christmas and for the month of August.

We collect the children from any after-school activity that is held in the school grounds. We do not deliver or collect children from activities which are held outside the school grounds e.g. swimming.

We look forward to meeting you and your child. We hope we can help you to meet your childcare requirements.

Thank you.
